

Martin Law Supports over 2,800 Young Athletes in Fall Athletic Programs

Martin Law has partnered with LeagueSide for over 13 seasons to provide children with the opportunity to take the field. This autumn Martin Law worked with LeagueSide to support over **2,800 players** across Pennsylvania. Martin Law sponsored **4 leagues** including Lehigh Valley United, Capital Area Soccer Association, Team X Sports, and I9 Sports in Harrisburg. These organizations run youth athletic programs from ages 3 through 18 with sports such as soccer, football, basketball, and baseball.

Kids who play sports perform better in school, live healthier lives, and grow up to be more successful adults. Unfortunately, the rising costs of youth sports are leaving millions of kids on the sidelines. LeagueSide pairs businesses with sponsorship opportunities with athletic associations providing much needed financial support.

We are looking forward to supporting additional athletic organizations for the Winter Season including Fusion Volleyball Club, Lehigh Valley Box Lacrosse League, Lehigh Valley United and i9 Sports in Harrisburg. These organizations run youth athletic programs from ages 3 through 18 with sports such as football, baseball, basketball, soccer, lacrosse, and volleyball.
